SUSQUEHANNA UNIVERSITY  
100 INGLETS GROVE, PA 17870

"O SPIRIT OF TRUTH, anciently instructing men with the word that 'the fear of the Lord is the beginning of wisdom,' behold this community re-assembling to pursue again the purpose for its existence. Gladden the hearts and illuminate the minds of those who learn, those who teach and those who add to the store of man's knowledge, that in all our labor we may transform learning into wisdom and technology into service and so bring glory to you and peace to us all."

Edgar S. Brown  
Convocation,  
September, 1973.

**To you, Pastor Brown, at the beginning of your years as Chaplain of Susquehanna University, we dedicate this yearbook.**

## **BEGINNINGS**

**The yesterdays we've experienced  
are now memories to share.  
They are the basis of tomorrow's  
challenges that we will dare.**

We can capture today for but a moment  
for it is one single day to hold  
It is a solo star in lifetime's sky  
awaiting tomorrow's sunrise to unfold.

**THE  
ROGER M. BLOUGH  
LEARNING CENTER**

NAMED IN HONOR OF ROGER M. BLOUGH, MEMBER OF THE CLASS OF 1925, FORMER CHAIRMAN AND CHIEF EXECUTIVE OFFICER OF THE UNITED STATES STEEL CORPORATION, AND MEMBER OF THE BOARD OF DIRECTORS OF SUSQUEHANNA UNIVERSITY. HIS LIFELONG INTEREST IN PRIVATE HIGHER EDUCATION HAS BEEN EVIDENCED BY HIS DEDICATED INVOLVEMENT IN THE GROWTH OF HIS ALMA MATER AS WELL AS HIS CHAIRMANSHIP OF THE COUNCIL FOR FINANCIAL AID TO EDUCATION, INCORPORATED.

TEACHER, INDUSTRIALIST, LAWYER AND PHILANTHROPIST, THE BOARD OF DIRECTORS OF SUSQUEHANNA UNIVERSITY HONORS HIM FOR A LIFETIME OF SERVICE TO HIGHER EDUCATION AND FOR ACKNOWLEDGED LEADERSHIP IN AMERICAN INDUSTRY.

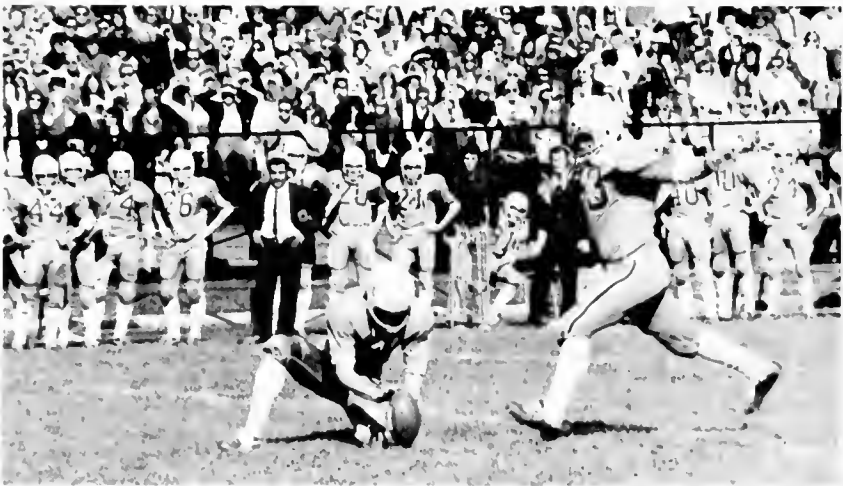

JANUARY 19, 1974

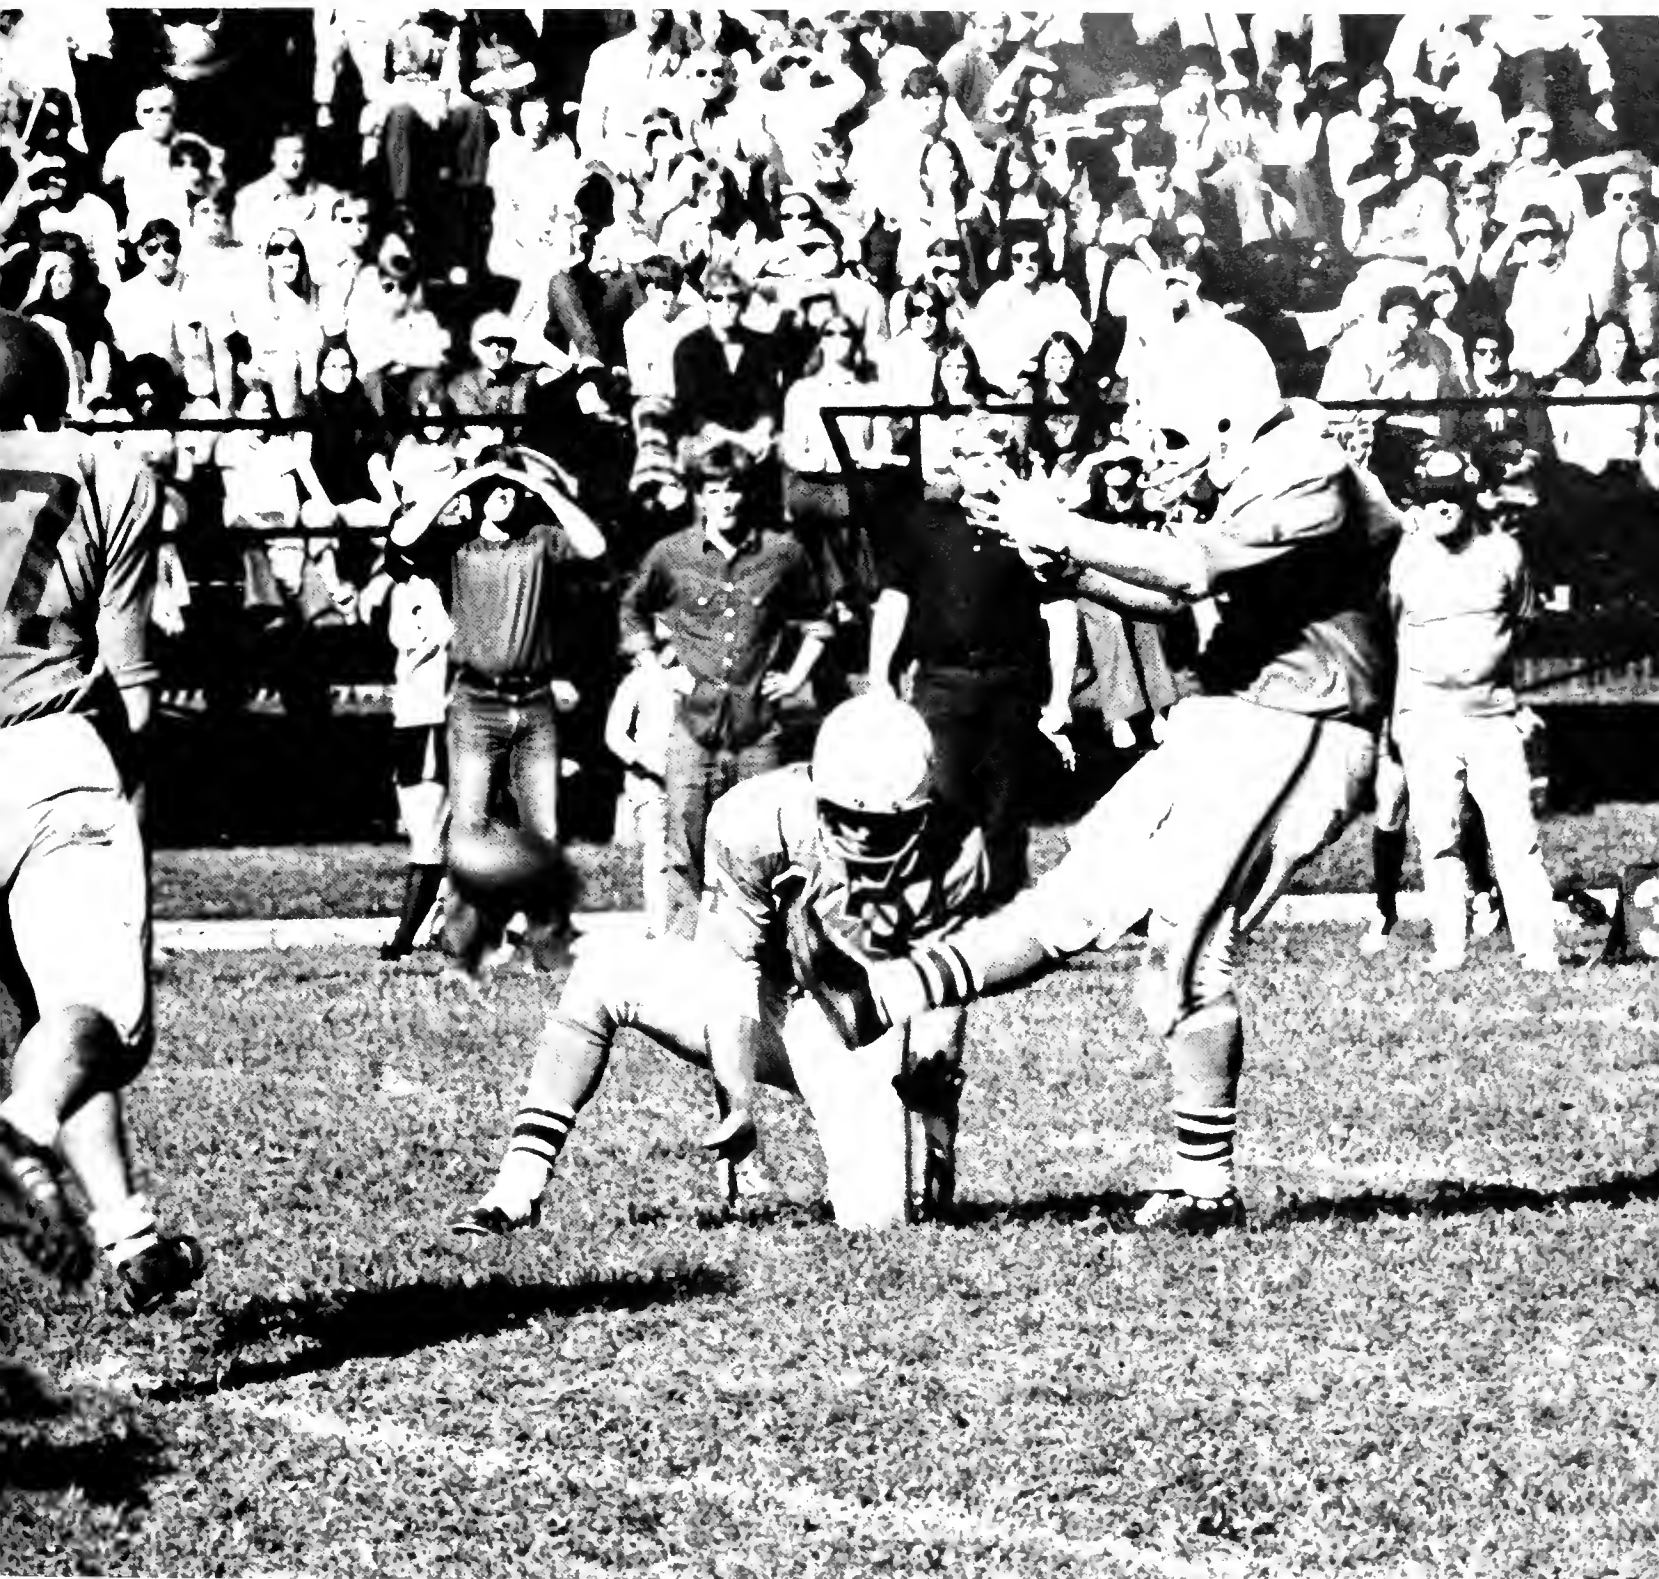

We have not yet realized tomorrow  
for it is only a dream, a hope, a plea.  
It seems it is too soon or never soon enough  
that tomorrow comes to be.

**Our tomorrows become yesterdays  
as from past to future we must reach.  
That an end is only a beginning  
is what life has to teach.**

# BEGINNINGS

The **ORIENTATION PROGRAM** takes place at the opening of the school year and marks the beginning of college life for the freshman. Orientation is tests, meetings, fun, parties, meeting new people, and confusion. The purpose of the program is to help make the transition from high school to college a little easier for freshmen. Orientation starts a fun, exciting, and new way of life at Susquehanna.

Formed on campus in 1973, open to all students with an interest in geology, the **THE GEOLOGY CLUB** offers a wide variety of activities including trips to Antarctica!

Across the nation people are becoming aware of ecology and man's relationship to nature. It is a new beginning for man and his environment. In 1972 S.U. became involved in this new era of harmony with nature by forming the **SUSQUEHANNA VALLEY OUTING CLUB**. The members of the club want to promote being at one with nature and the appreciation of earth's beauty and natural resources.

BE IT IN YOUR THOUGHTS YOU MUST MEASURE TIME INTO SEASONS, LET EACH SEASON ENCIRCLE ALL OTHER SEASONS, AND LET TODAY EMBRACE THE PAST WITH REMEMBRANCE AND THE FUTURE WITH LONGING.

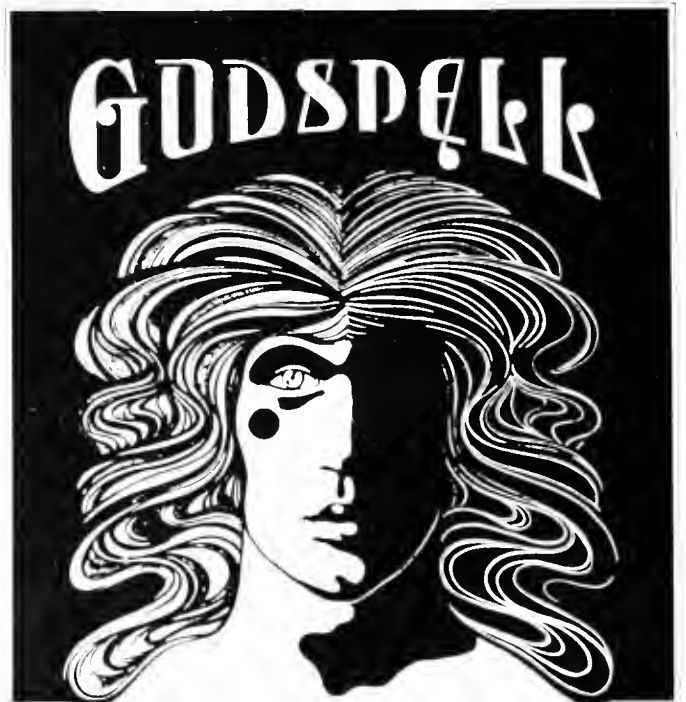

KIBRAN

The sisters of **ALPHA DELTA PI** contribute to both campus and community through their service and social activities. On campus the group has supported the Heart Fund and the United fund drives. A Halloween party is jointly held with TKE for Selinsgrove children, a Christmas party for underprivileged children is held with Lambda Chi Alpha, as well as an Easter party with Phi Mu Delta for these same children. Some of this year's social events include a pajama party with TKE, a formal dance, and a dance with KD. The sisters try to encourage school spirit with a bonfire on Homecoming weekend, and by officiating at track meets in the spring.

"A hit, a big, big hit. A thing of joy. What they have done is make a musical and a circus, a clown show, a magic show, a game show played with energy, gaiety, honesty and spirit. **'GODSPELL'** believes in God -and people-and possibility." — N.Y. Post.

Besides being in charge of the planning, organizing, and success of such campus wide activities as the **GROTTO**, the film series which provide entertainment on weekends, concerts, arts and craft displays, and lectures, **LANCE** also serves students by sponsoring a Christmas party, Casino Royale, Road Rally, and a wide variety of programs open to all the campus. Lance has done a fantastic job of keeping things jumping and has plenty of good ideas and programs for S.U. in the future.

S.U. **SOCCER** 1973 enjoyed a history — making year highlighted by an upset win over Bucknell, a tough defense which set a new record for fewest goals allowed in one season and being selected as the number one seed in the E.C.A.C. post — season tournament. The team was sparked by top performances by a number of outstanding freshmen starters and a tough set of lines and halfbacks. This dynamic team has made soccer come alive at S.U. and deserves continuing support. With only four seniors graduating, the team has the potential to make '73 only the beginning of winning seasons to come. Our team can be proud of its 6 — 3 — 4 record and seeks to improve that next season.

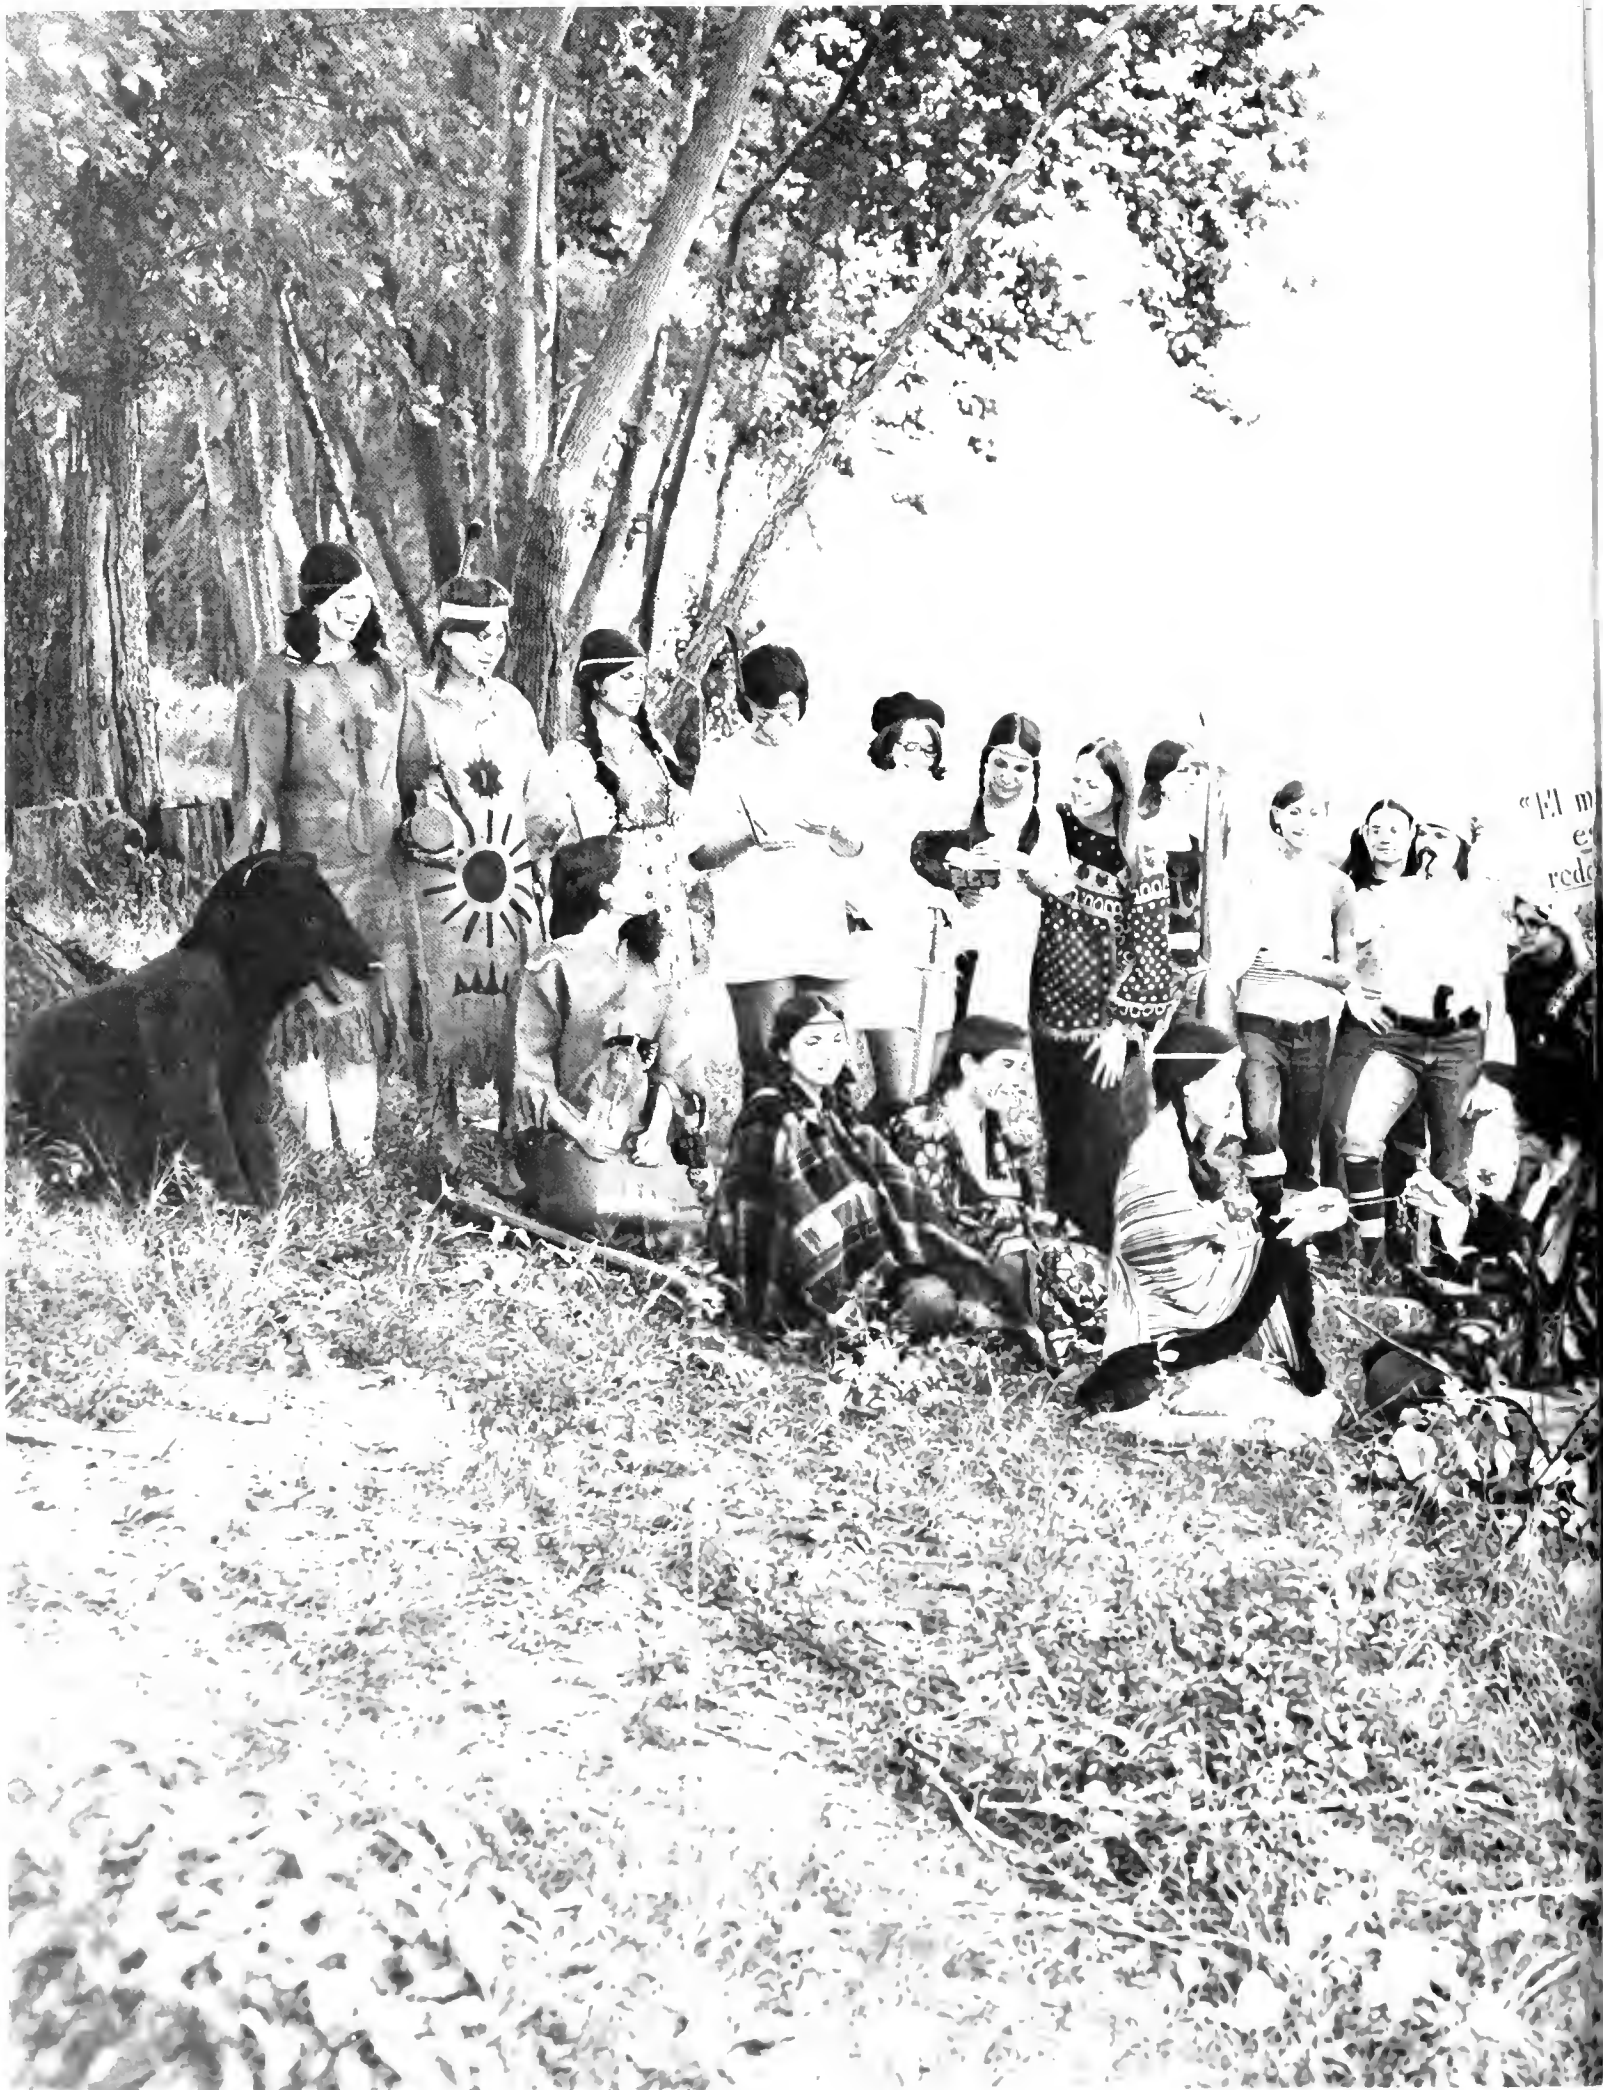

The closing of the 1973 **WOMEN'S FIELD HOCKEY** season brought about a beginning — an awareness of real team spirit and of growing abilities. Any goal worth achieving can be fully realized only when hard work and perseverance bring the reward. These women won this victory. Season Record: 0-6-1

The **INTRAFRATERNITY** and **PANHALLENIC COUNCILS** consist of representatives from the nine fraternities on campus. The function of these councils are to establish rush rules and supervise the rush program. These organizations also bring together social fraternity relationships. The In-trataternity and Panhallenic Councils sponsor Greek Week, a combined effort on the part of all the fraternities and sororities to socialize with the campus as a whole, and the Blood Drive, a service function to benefit the surrounding communities.

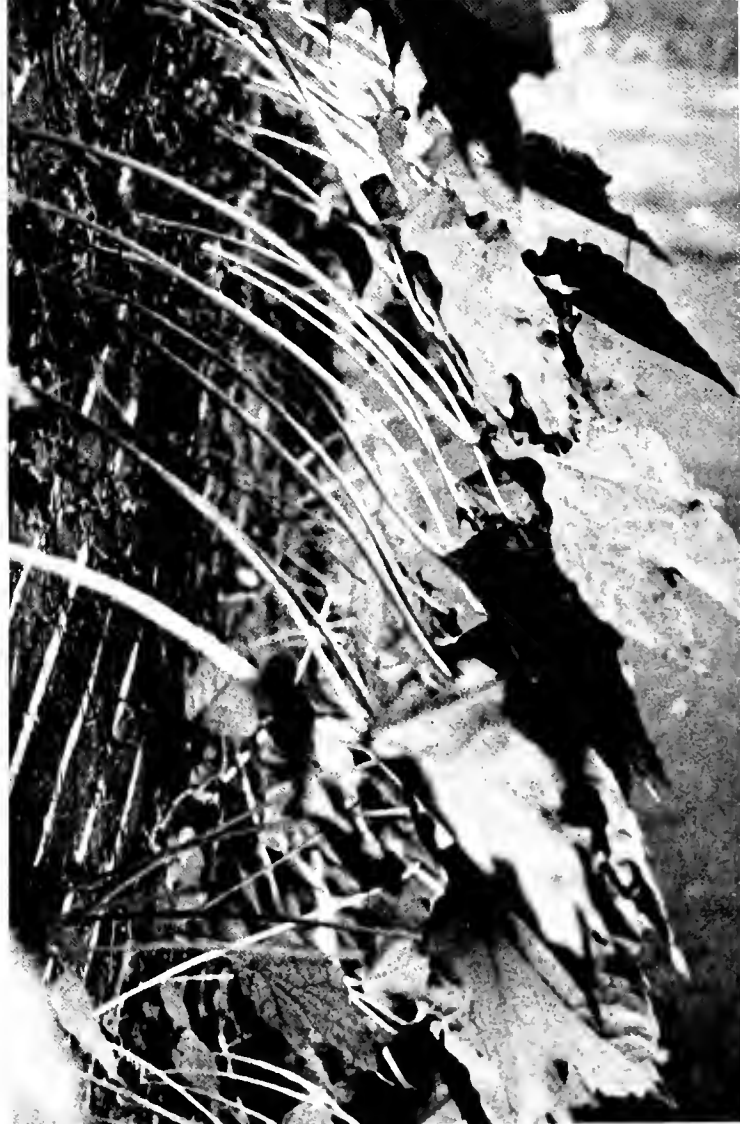

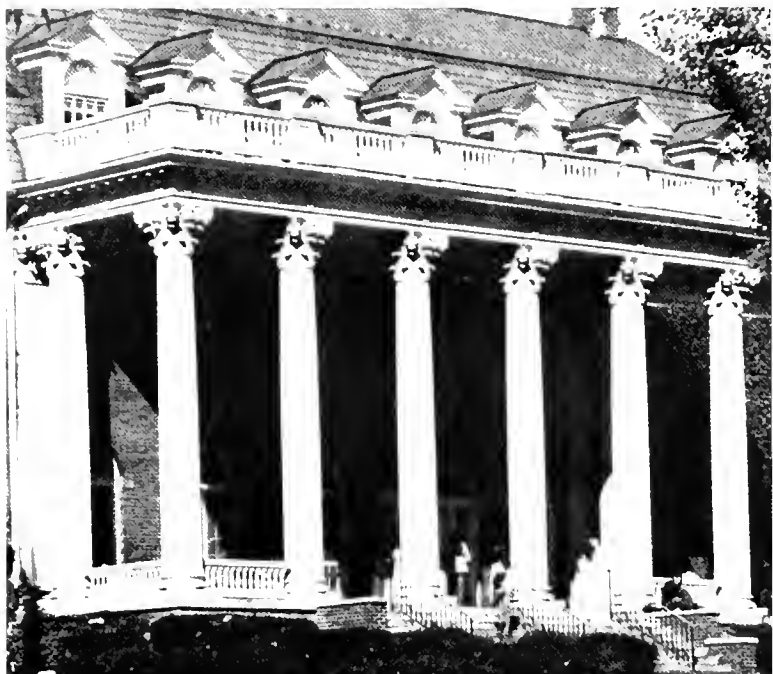

**ALPHA XI DELTA** sorority meets once a week and participates in a variety of extracurricular activities. These activities include giving a faculty breakfast, serenading the residence halls, visiting a local nursing home and participating in community affairs, such as the Halloween parade, whenever necessary.

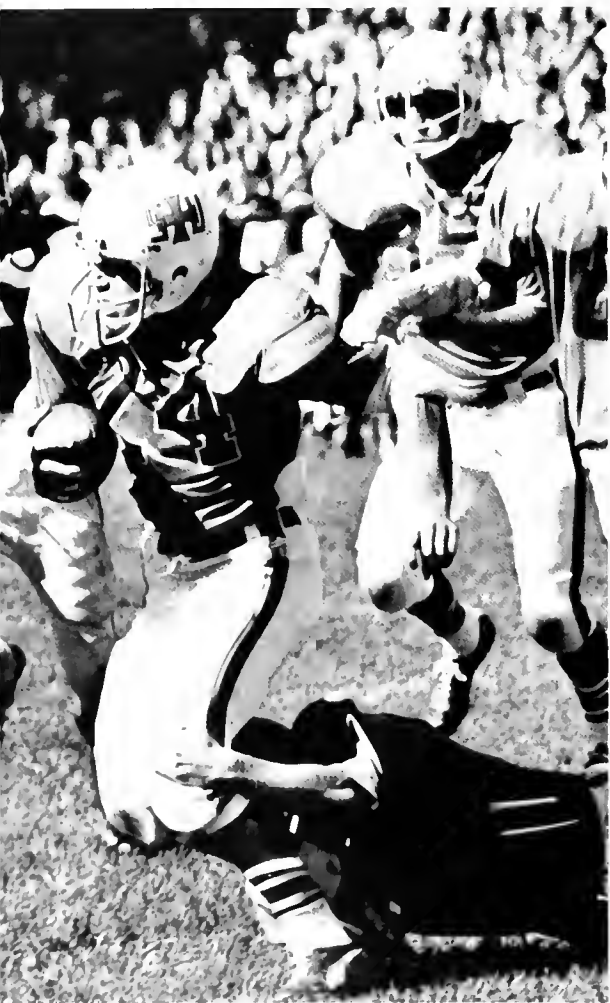

Thirty-four upperclassmen begin the year by celebrating Labor Day in training sessions – that's the **Student Staff**. In addition to being the last to leave and the first to return from vacations, head residents and resident assistants are the ones who keep peace in the dorms, listen to complaints and get things fixed. A love for irregular hours, meetings, and those maintenance request slips are prerequisites; but the experience of leadership and Mrs. French's steak dinner make it all worthwhile.

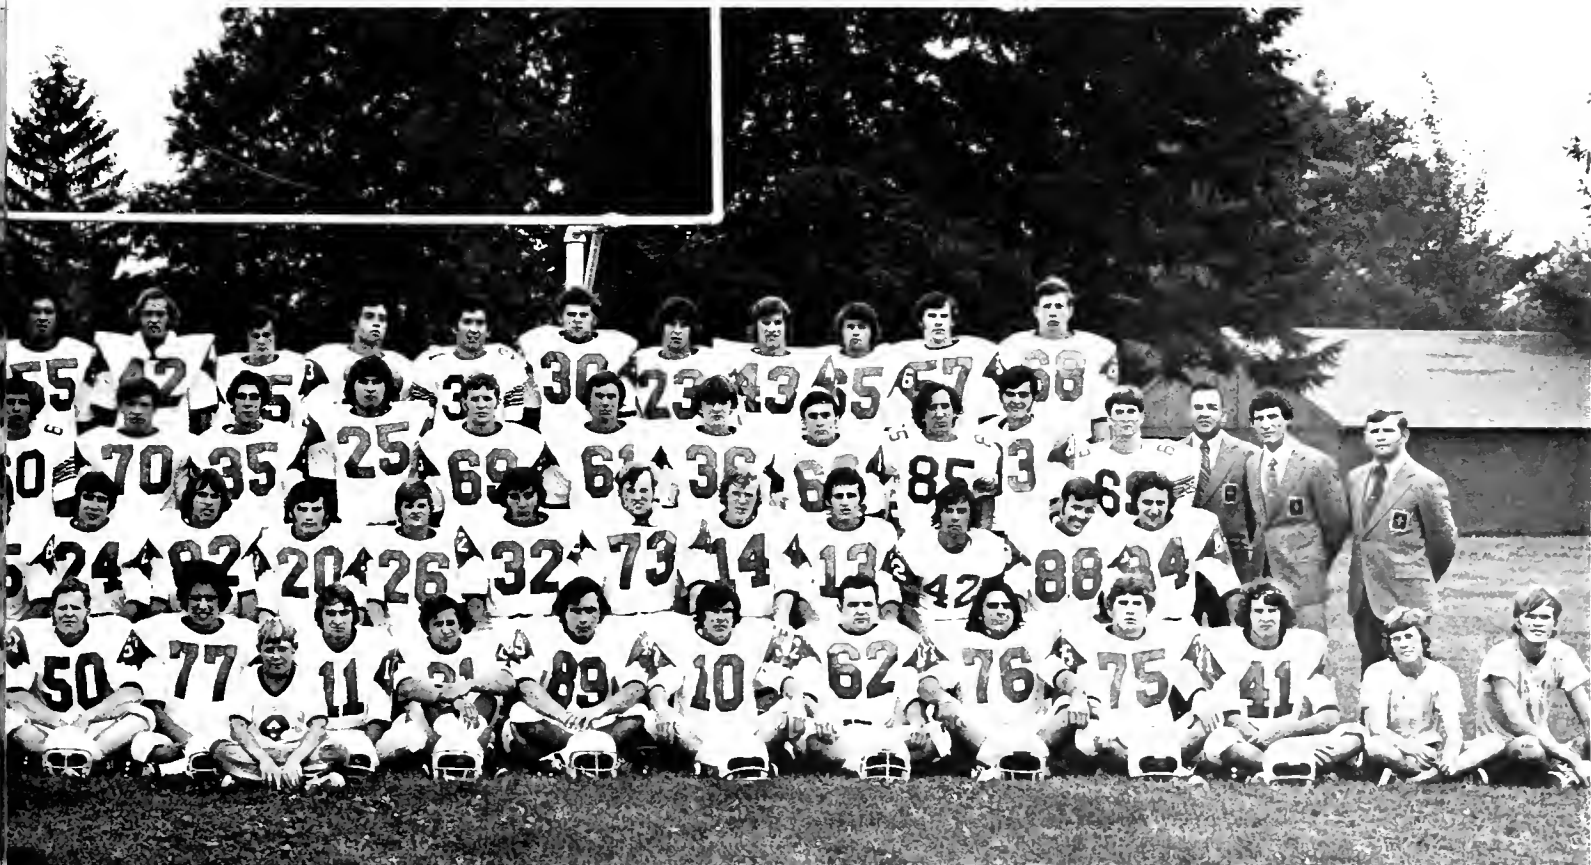

**Homecoming**, October 6, was a gorgeous fall day which was perfect to enjoy the day's festivities. Carol Kehler was crowned Homecoming Queen at Friday night's coronation and reigned over the football game and half-time S.U. Sports Hall of Fame inductions. Although the football team suffered an upset, the soccer and cross country teams were victorious before a crowd of enthusiastic supporters. The evening was highlighted with a concert by Lester Flatt and The Nashville Grass.

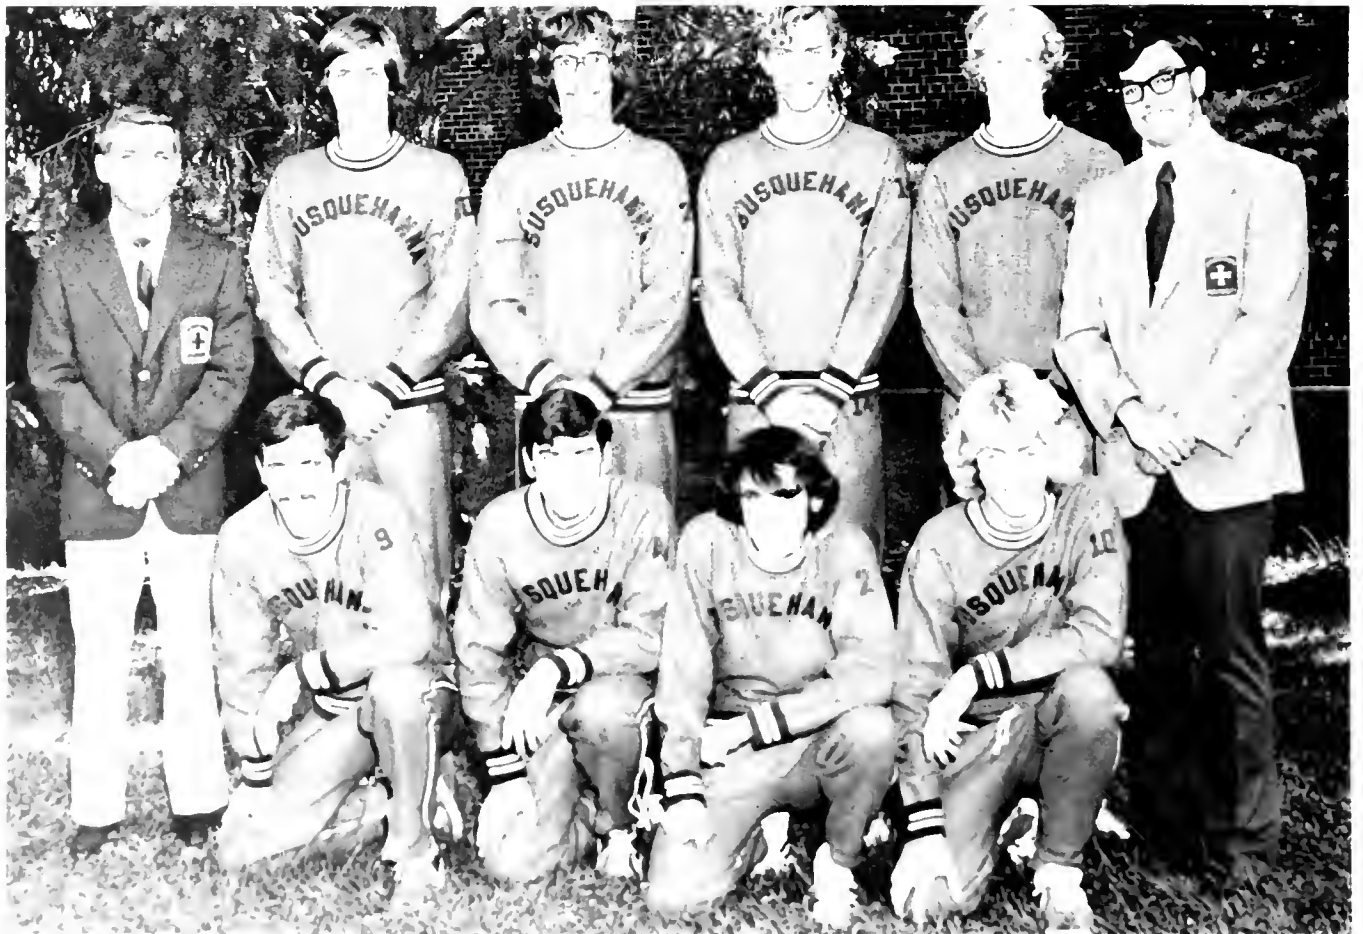

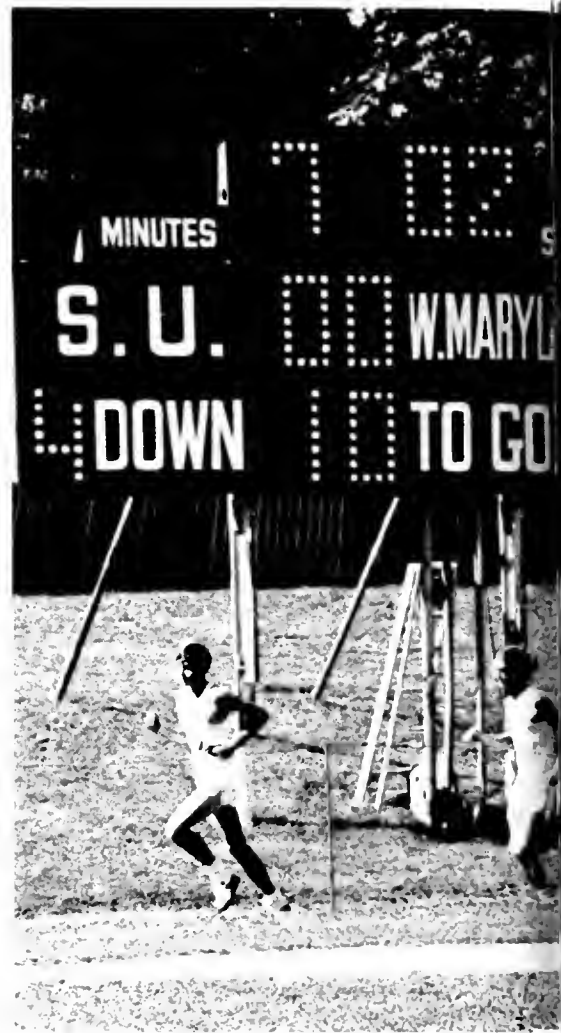

In the fall of the year, FOOTBALL, one of the largest athletic teams representing the University on opponent campuses, brings at least four Saturday afternoons of collegiate football to our campus and is one of the main attractions on the two biggest weekends — Homecoming and Parent's Day. It offers the specialized athlete who participated in high school football an opportunity to continue his participation on the college level. Over fifty percent of this year's squad are freshmen and, hopefully, they will represent the beginning of more successful seasons in future years. Season final record wasn't the best, 2-7-0, but the team and coaches are already looking and planning for a winning '74 season.

The **CHEERLEADERS** try to promote spirit and enthusiasm at the home sporting events. When the girls aren't cheering they keep busy making spirit signs, decorating locker rooms, and leading the school in giving our teams the support they need.

Coach Wagenseller's second year as coach looks to be the beginning of a new era for Susquehanna **CROSS COUNTRY**. This year the men overcame inexperience with a fine enthusiasm, talent and hard work and may be proud of their record 8-5-0.

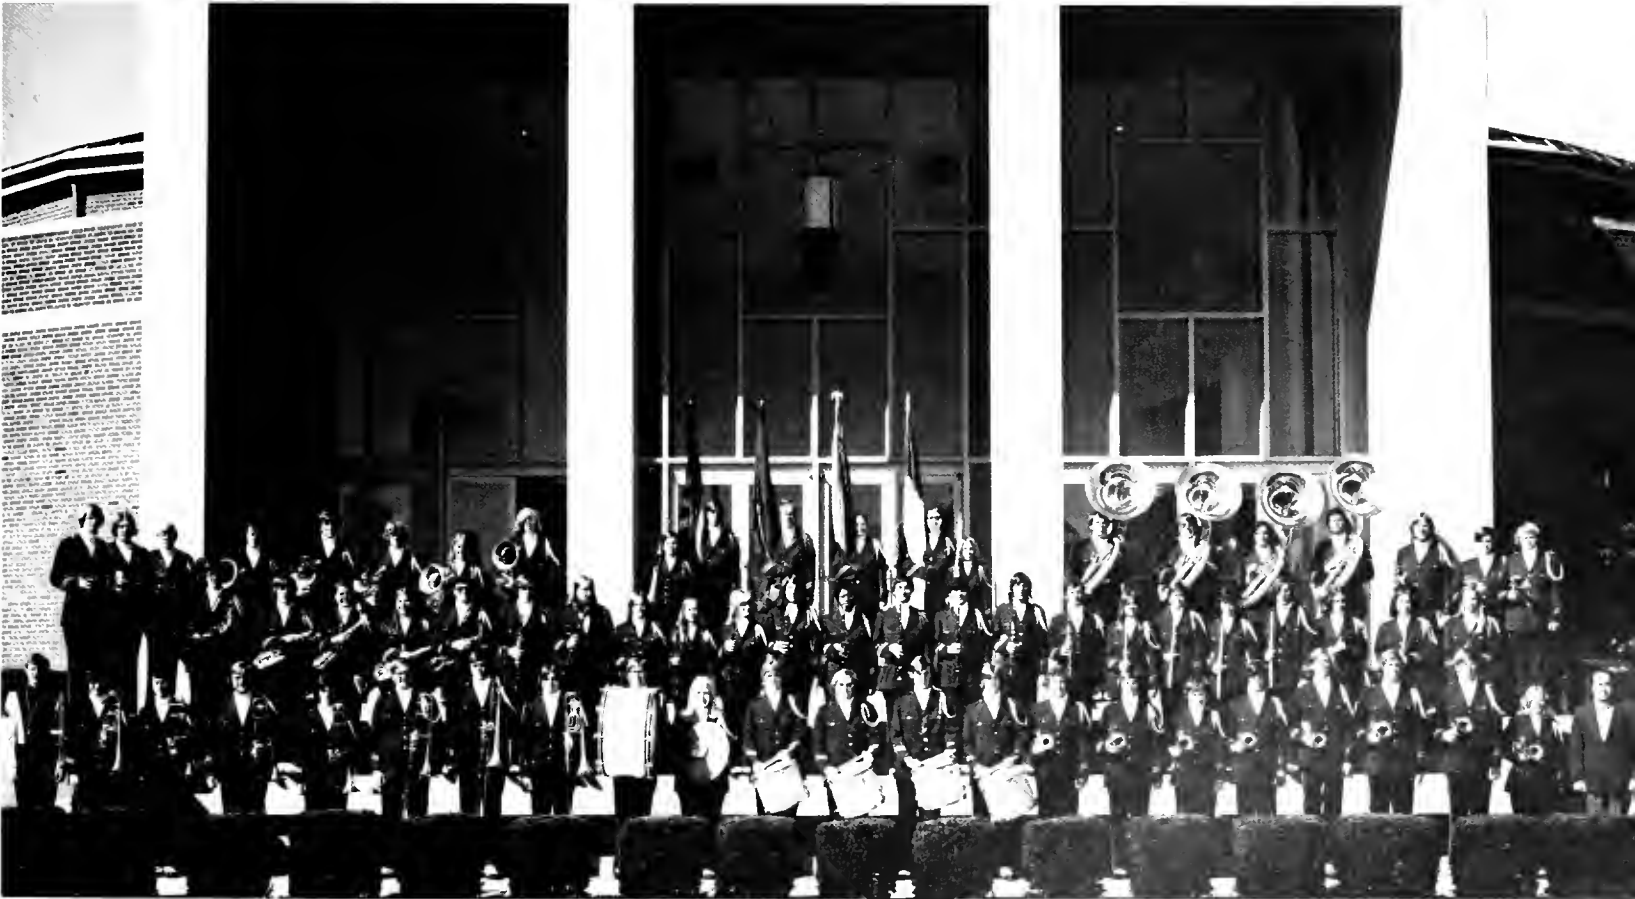

The **MARCHING BRASS** and **PERCUSSION** performs a variety of music at football games and several parades. This group of students consists of sixty players, six color squad members, and a drum major.

Green blazers, white roses, and shouts of "A.O.T." characterize **KAPPA DELTA** sorority. The sisters have found that their social service projects bring them closer, not only to members of the community, but also to each other. In addition, to the National Philanthropy, which is the Crippled Children's Hospital in Richmond, and an adopted child, Kappa Delta includes weekly visits to Rathfon's Convalescent Home. The sisters also sponsor a Christmas party for the foster children in the area so that the other end of the age spectrum in the community is not neglected. They're also the girls who sponsor bi-annual pancake breakfasts and fashion shows. Kappa Delta is many things, but most of all it's people who care.

The one word that most describes **STUDENT SENATE'S** contribution on campus is communication. Senate is the students' sounding board on issues that concern them, both social and academic. Conversely, Senate is the administrators' first line of communication with the students. Senate attempts to keep the S.U. community informed through the published minutes. The present exec has worked very hard to foster a feeling of open communication and trust among the administrators and students. Senate is attempting to become an information center for all involved in activities at Susquehanna.

The **JUDICIARY BOARDS** have been dormant for the past few years-this year's board is in the process of rewriting the constitution and in doing so hopes to make it a viable and vibrant aspect of campus life. Student Judiciary is attempting to broaden the definition of the judiciary system from merely a disciplinary body to an important, thorough and open channel of communication: a link between students and administrators. The old system didn't work-and it's taking time to make sure the new one will, but at least it's a beginning.

The **ASSOCIATED WOMEN STUDENTS** began this year by organizing task forces to work on concerns of interest to all women on campus such as the improvement of Health Center services and extension of dorm visitation hours. AWS sponsored a Woman's Day at the beginning of the year, held the annual Big-Little Sister banquet, Christmas and Easter parties for Day Care Center children, and invited various speakers.

**LAMBDA CHI ALPHA**, a national fraternity, is an actively concerned group on campus. The brothers sponsor Christmas parties for both underprivileged children, and with the help of Sigma Kappa, for the State School, give a fall rush party with Kappa Delta, and donate food to needy families of Selinsgrove so that they too might have a Thanksgiving feast. The Bunders are also known for their active participation in varsity, as well as intramural, sports at S.U. "Naught Without Labor" is their well deserved motto.

The national honorary dramatic fraternity **ALPHA PSI OMEGA**, tries to promote enthusiasm for theatrical experiences. Members strive for excellence both onstage and behind the scenes.

**KAPPA MU EPSILON** is a national mathematics society honoring those students who have exhibited high scholarship in mathematics. The society primarily recognizes the outstanding achievements of its members. In addition, it strives to further its members' interest in mathematics by inviting outside speakers to S.U. as well as featuring lectures presented by members of the department's faculty.

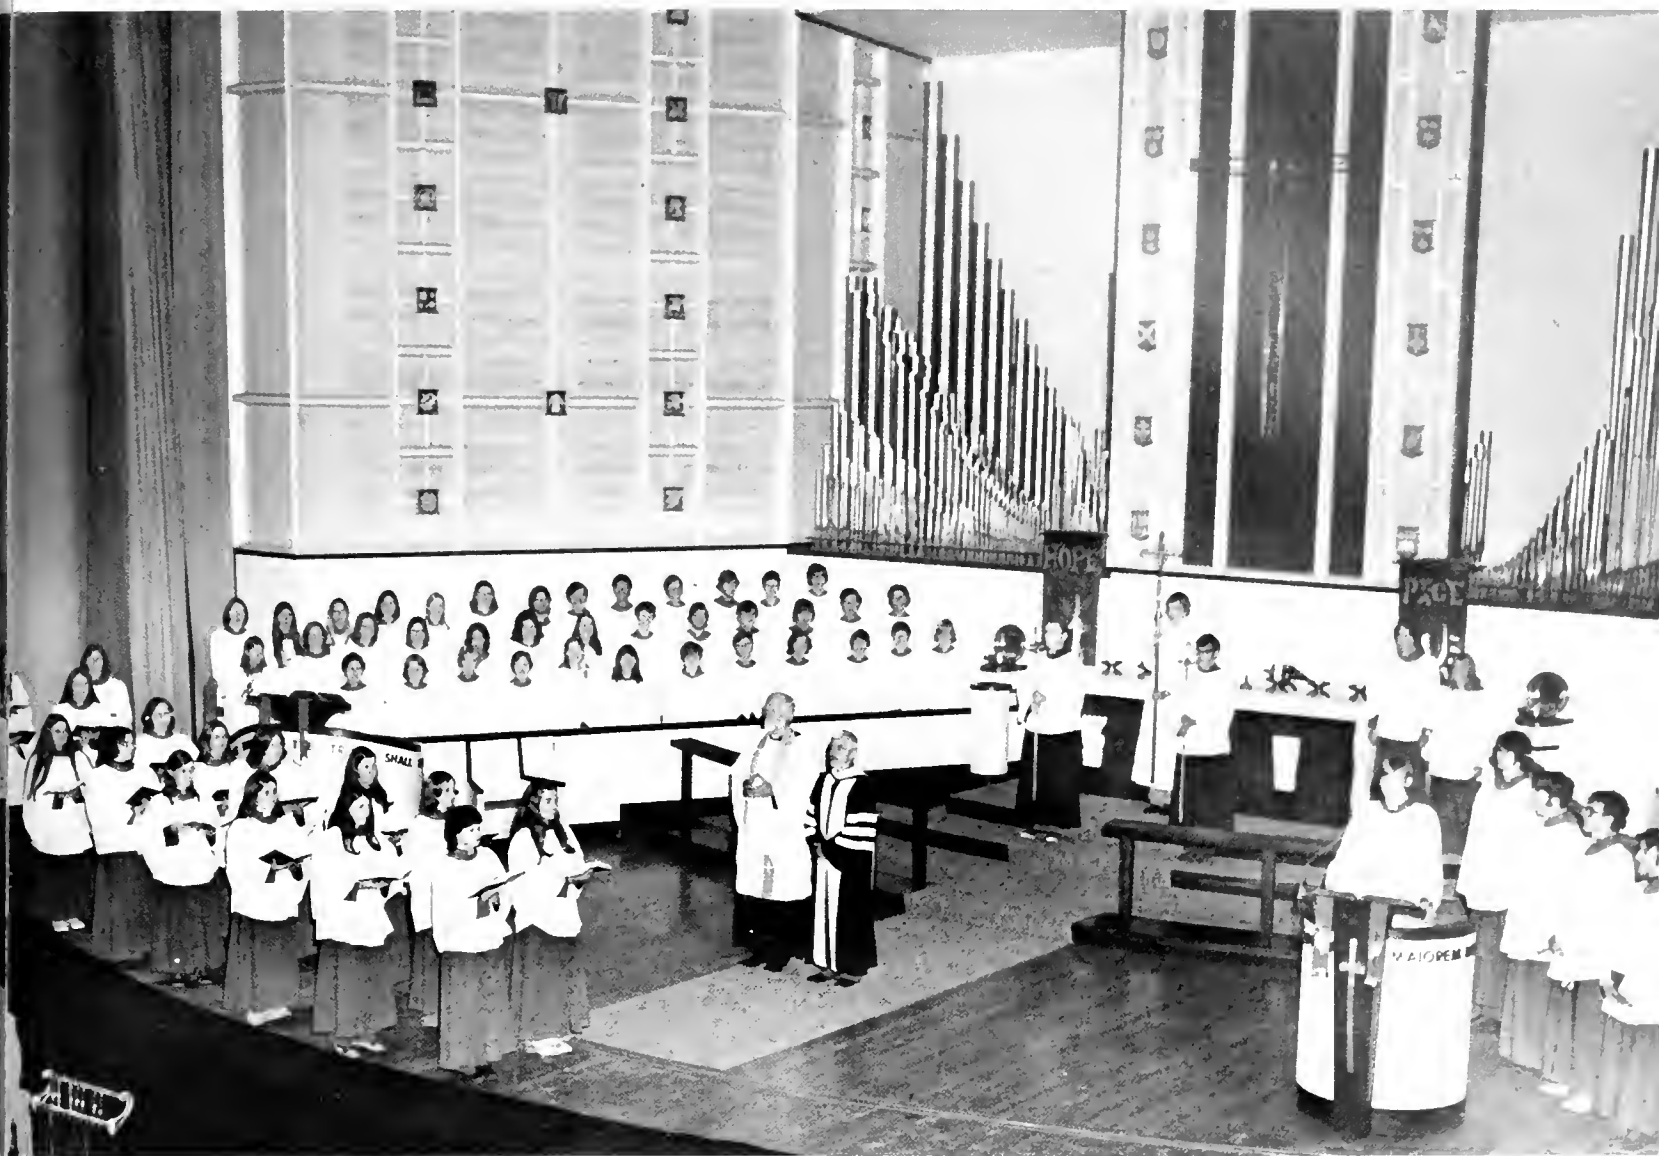

**PSI CHI** is Susquehanna's psychology honorary society. A national society, Psi Chi attempts to "advance the science of psychology, and to encourage, stimulate, and maintain scholarship of the individual members in all fields, particularly in psychology."

**PHI ALPHA THETA** the national honorary fraternity, promotes scholarly excellence in history. Students must have a good average in history and overall in order to be eligible. Phi Alpha Theta sponsors lectures and movies with the Heroditans as some social functions during the year.

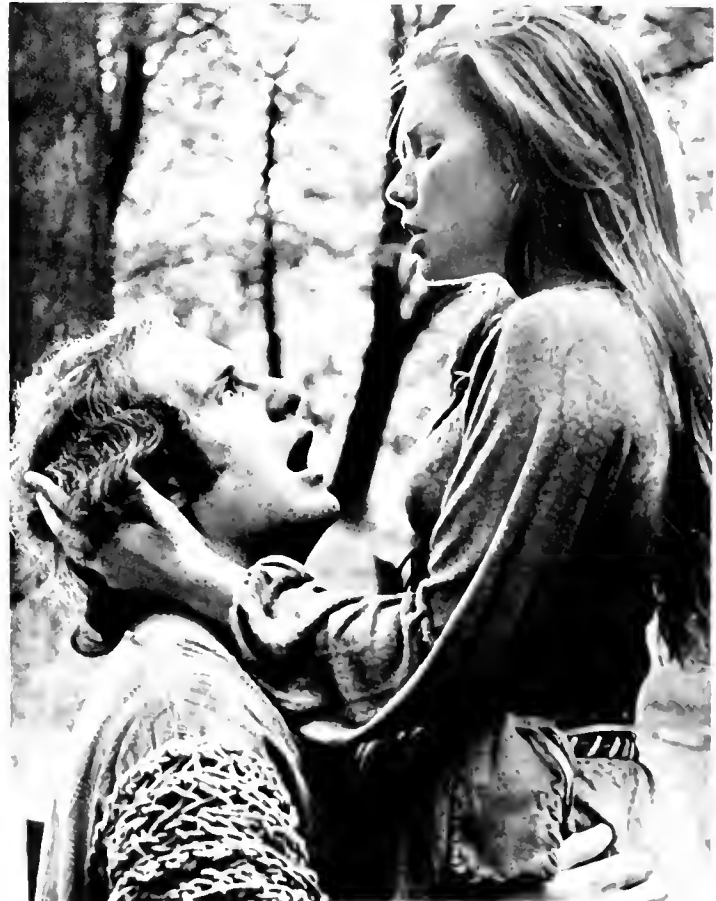

**KOINONIA**, an organization for those interested in theology hopes to challenge spiritual growth. Exploration through discussing, learning, and understanding is its purpose. Koinonia aims to expand the commitment of its members out into the community, making theology an applicable reality. Koinonia also serves as a vehicle for pre-theological students to study religious concepts.

The **CHAPEL COUNCIL** is a group of people who attempt to relate their concern for man and his total environment by meeting the needs of students on campus as well as those of the surrounding community. Through personal commitment to meet these needs, the group believes and always strives to be an instrument of social change.

The **CHAPEL CHOIR** is a large group that presents music for about half of the Sunday morning services on the campus and for the traditional Christmas Candelight Service, Baccalaureate and Graduation. Within its religious framework, it presents music of widely varying styles.

ARTIST SERIES

"As you like it"

The **AMERICAN MARKETING ASSOCIATION** is striving towards the goal of securing jobs for Susquehanna students. This year the club is holding meetings with interested business firms to help promote the hiring of Susquehanna University graduates.

Like all clubs at S.U., the **HERODOTANS** offers something special to all students on campus. The history club brings together students from all fields at its various lectures, field trips and movies which are enjoyed by all.

The brothers of **PHI MU DELTA** are active in many ways on campus. Each year they sponsor the Muscular Dystrophy dance marathon, give an Easter party for underprivileged children and put on the Chicken Barbecue for the community.

In recent years the **FORENSICS** organization on campus has brought much recognition and respect to Susquehanna University by competing in debate tournaments across the U.S. This club's past performance is one to be admired and the future holds many more trips, much more debate, plenty of hard work and research and a continued respect among other college teams and organizations.

The **UNIVERSITY CONCERT CHOIR**, under the direction of Mr. Cyril M. Stretansky performs music ranging from early Renaissance to late Contemporary. Concerts are given on campus three times a year and the choir has also been known to tour various parts of the East Coast, as well as abroad.

In its second year at S.U. the **FLYING CLUB** can boast of its ten flying members, the wide variety of opportunities and experiences in the excitement of flying. Students from all areas find the flying club one of the most unique and rewarding on S.U.'s campus.

Under the supervision of Mr. Haaland, members of the **PHOTOGRAPHY CLUB** are given the chance to develop their talents and skills in shooting pictures, developing and printing. Resources have been limited in the past, but the new dark room located in the Learning Center should produce plenty of talent and great photography.

The purpose of the Student PSEA-NEA is to acquaint the prospective teacher with the aims, responsibilities and benefits of a career in teaching. Varied programs are designed to look at teaching from the many viewpoints of the high school student, student teacher, cooperating teacher, administrator, parents and the professional organizations.

The **CHEM CLUB** is open to all chemistry majors and staff as well as any student interested in chemistry, regardless of his background. Activities include selling lab coats and coffee, slide rule clinics, an annual chicken barbeque, bowling tournaments, picnics, field trips to industries and anything else that may be interesting and related.

**"Nitty Gritty Dirt Band"**

ROTC is a newly installed program at Susquehanna and is run in cooperation with Bucknell University. Interestingly enough, the program includes two women students of Susquehanna.

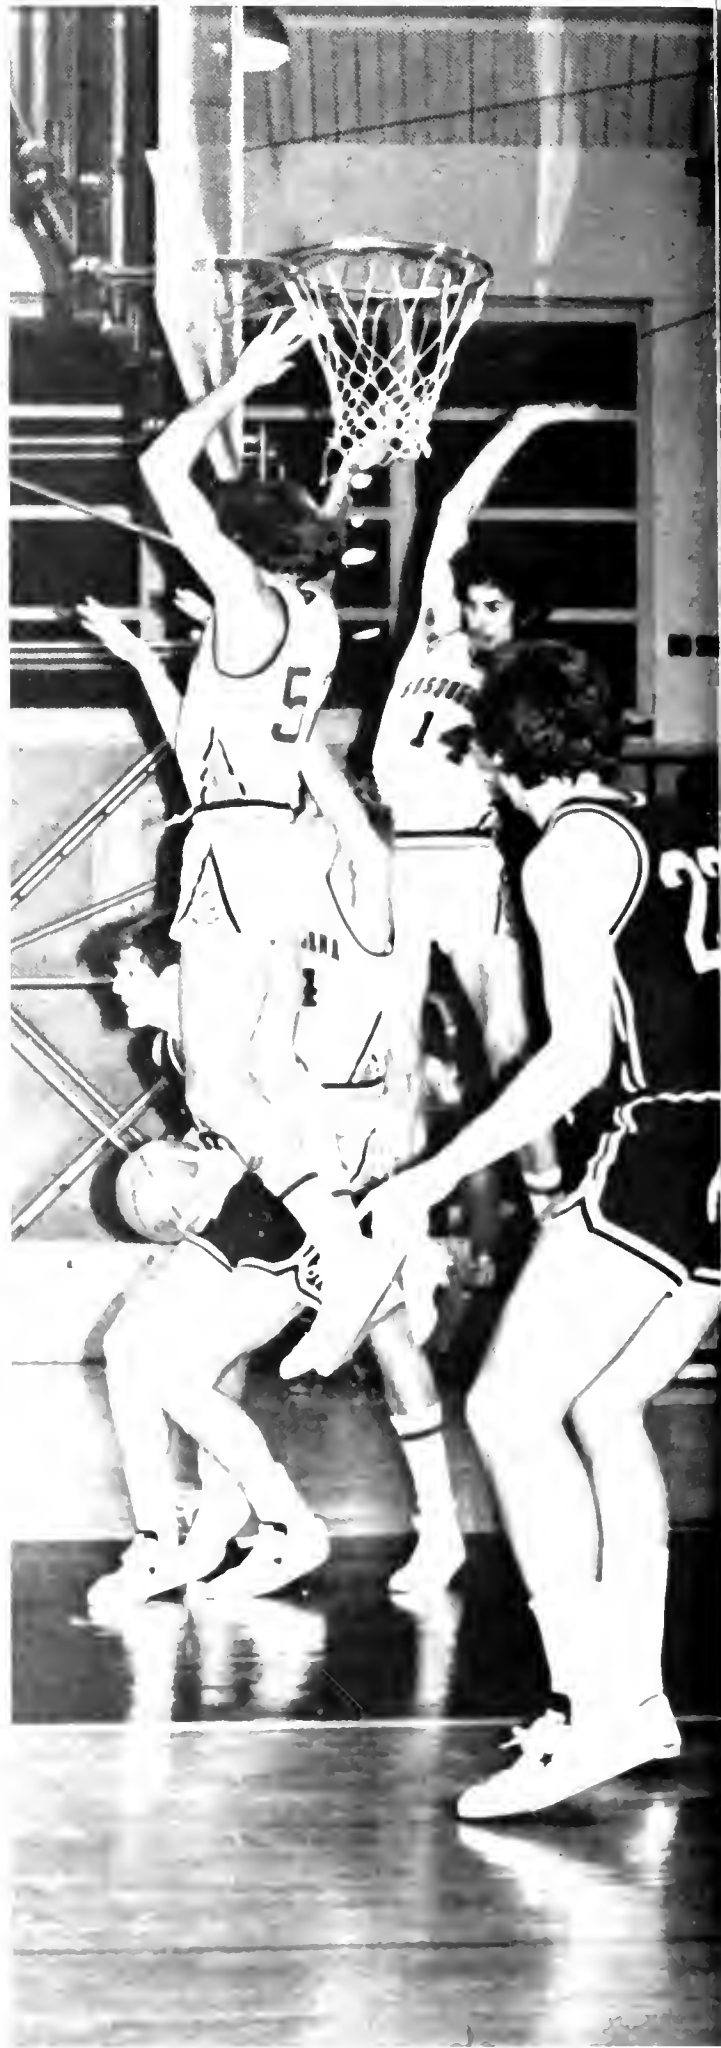

CATHEDRAL

**PHI SIGMA KAPPA** says, "We've been bawled out, bulldozed, walked on, cheated, and mooched, stuck for sales tax, syntax, red cross, green cross and double cross; asked to help the March of Dimes, UNICEF, Cancer Crusade, men's relief and stomach relief. We've booked like heck, been drunk, got others drunk, lost our shirt and part of our house, and because we can't ret well at games, we've been cussed, and discussed, talked to, talked about, and darn near ruined, and the reason that we're alive today is that we have fun at the Phi Sig House."

The 1973-74 VARSITY BASKETBALL season was one of the successes and disappointments. After rising to defeat Upsala, the Crusaders saw their post-season hopes deflated with an untimely loss to Elizabethtown. The team competed in two holiday tournaments and Ralph Wolkenhauer and Dave Long picked up all-star honors for their outstanding performances. Long began what could be a record-setting career for the Crusaders, scoring and rebounding effectively throughout the season. Jim Baglin turned in an impressive final year with dependable outside shooting. But the team's overall record this year did not live up to pre-season predictions. After another fair season, the team looks forward to next year with the anticipation of beginning a winning tradition for Susquehanna basketball.

The **CANDLELIGHT SERVICE** is a Christmas tradition of Susquehanna University. Through this carol service the joy and tranquility of this holiday spirit warms the hearts of all who attend.

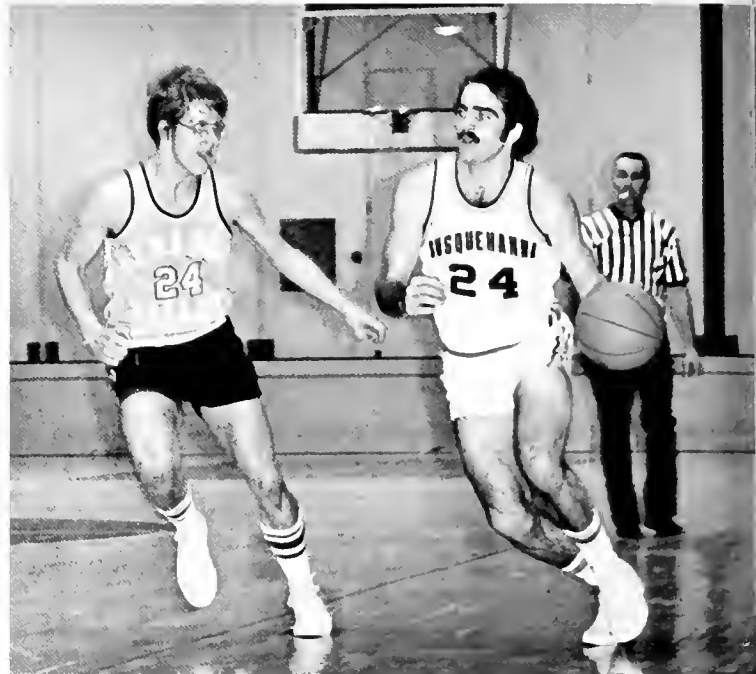

The **SKI CLUB**, coordinated by Mr. Clyde Lindsley, was active this year with movies and meetings. The club's main event of the year is its ski trip to Stowe, Vermont during February vacation. Think snow!

The Susquehanna **JUNIOR VARSITY BASKETBALL TEAM** again sported a winning record this year. Outstanding performers included Mike Timmons, high-scoring John Neuhauser, Bob "Zog" Hertzog, Ron Brett with well over seventy assists, and Bob Buckfelder. These players will be looking to see action next year in the hopes of bettering the varsity team's record. Coach Moore can be justly proud of this year's fine junior varsity squad.

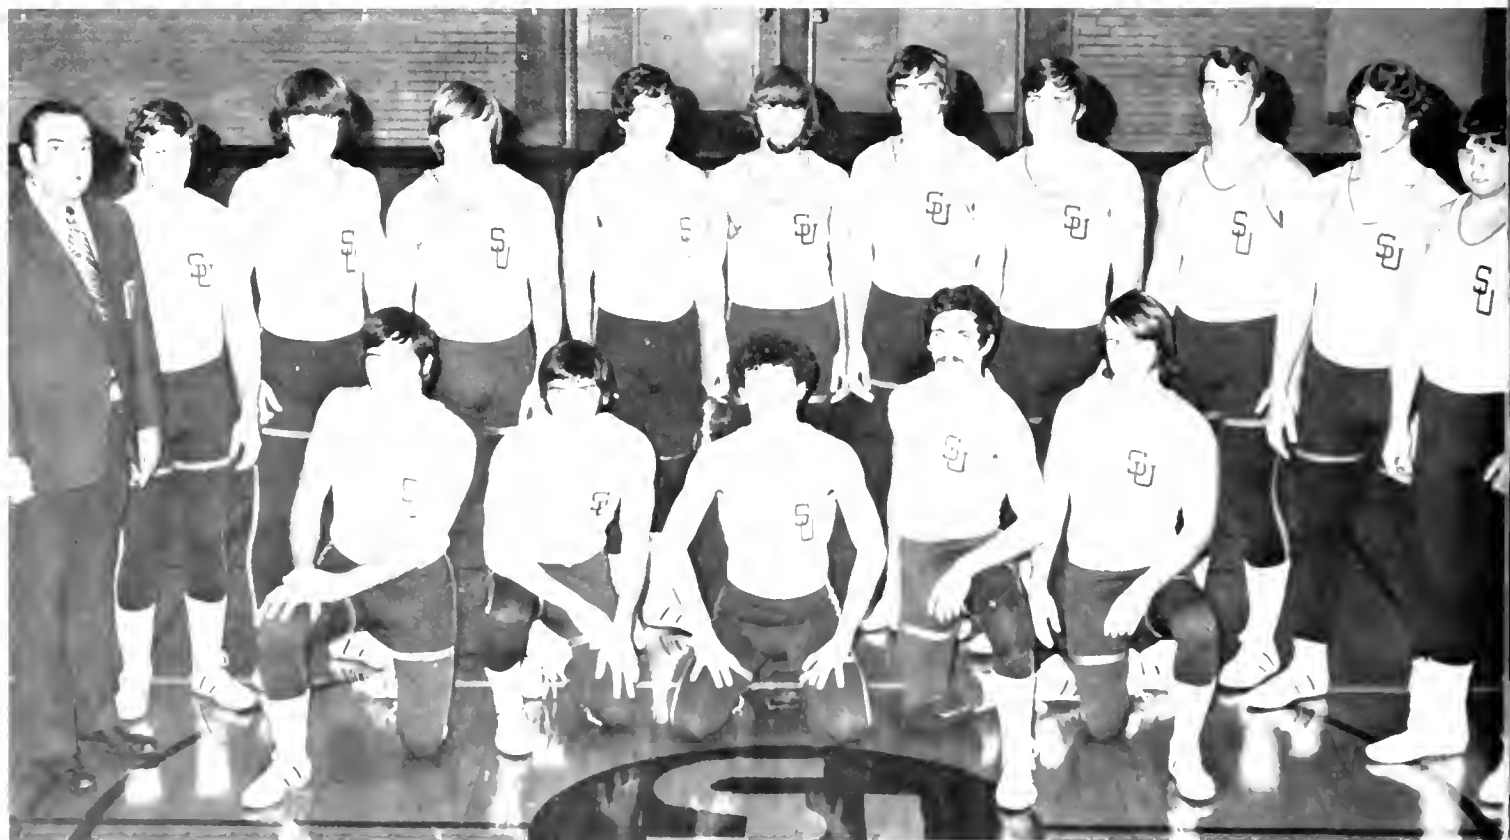

The **WOMEN'S BASKETBALL TEAM** may not have had an impressive season but the girls worked hard and had fun. Two of the team's best scorers graduated last year and many of the starters had to be taken out due to injuries. Because it's a young, inexperienced squad, the team is looking forward to a new start next year.

Nineteen-seventy four marks the Centennial year for **SIGMA KAPPA's** sisterhood. Throughout the year, their activities include a retreat at a nearby camp, ushering at home football games, collecting for UNICEF, and an ice cream party for freshman girls in Seibert Cafeteria. During the Christmas season, the sorority prepares for their boutique in December, has a coed tree trimming party, and carols at the Doctor's Convalescent Home. In addition to their Christmas visit, Sigma Kappa makes weekly trips to the convalescent home to serve coffee and cookies to the patients. As Spring approaches, formal pledge class activities are in full swing and the sorority joins the brothers of Lambda Chi Alpha in a visit to the Selinsgrove State School. The Sigmas end the year with a formal dinner-dance, initiation banquet, and farewell senior banquet.

From the beginning, Susquehanna University has had success each year in its **WRESTLING** program. The wrestlers who dedicate themselves to our type of program, have enjoyed success also. The Crusaders have had two varsity wrestlers who did not lose a dual meet since the beginning, eight years ago, with a combined record of 64-0-3. This year is no exception. Co-Captains Randy Bailey and Joe Schiller, along with Randy Bogar, Paul Burns and John Liken all have had winning seasons.

**1973-1974 PERFORMANCE  
SCHEDULE OF SUSQUE-  
HANNA UNIVERSITY THEATRE**

**A Streetcar Named Desire**, by Tennessee Williams, February 8, 9 and 10.

**Cyrano De Bergerac**, by Rostand, adapted by Kruckemeyer, May 3 and 4.

**Curse You, John Dalton**, by Wilbur Braun, November 16 and 17.

**The Hostage**, by Brendan Behan, January 10, 11, 12 and 13.

The **SYMPHONIC BAND** consists of ninety students representing virtually every curriculum. The group presents a public campus concert each term and additionally performs several concerts off campus. Last Spring, the band went on a week-long concert tour of Mexico along with members of the Concert Choir and several interested students.

The **MUSIC EDUCATORS NATIONAL CONFERENCE (MENC)**, Chapter # 176 exists here on campus to promote music and music education for both the members and the community at large by distributing the Music Educators' Journal (MEJ), participating in the state convention, providing various guest speakers, and holding a number of intormal coffee hours. In conjunction with the Department of Music, MENC sponsors an annual Career Day for high school students contemplating a career in music.

A national fraternity, **TAU KAPPA EPSILON**, participates actively on campus and in the community. The brothers open their year with their traditional campus pajama party which was held with Alpha Delta Pi this year and their Fall Frosh Free-for-All with Alpha Xi Delta. They also are active in service projects for the benefit of the community.

The **CRUSADER** is the S. U. campus weekly newspaper. This year under Editor-in-Chief Ray Everngam the Crusader featured articles not only on campus activities but also on such issues of national importance as the energy crisis, as well as items of general interest. The Crusader staff is kept busy covering plays, films, music recitals, sports events and other student and faculty activities and providing a sounding board for editorial and reader comments.

WQSU's aim is to entertain, educate and inform. Throughout its development there have been ups and downs, good periods as well as bad. The present staff of WQSU feels that this is the beginning of a new era, an era of "no soap radio," consistently good radio for the listening public. WQSU helps to extend Susquehanna University far beyond this campus. It reaches people. Its business is people!

**PI GAMMA MU** is a national social science honorary fraternity which tries to promote the interest of the social sciences on campus. It is comprised of students, alumni, and faculty who elect eligible juniors and seniors interested in social science and with high scholastic standing

The national french honorary, **PI DELTA PHI**, is mainly concerned with recognizing those students of outstanding scholarship in the french language and literature. This group tries to encourage a deep appreciation of france and its people among the college members and on campus.

**SIGMA ALPHA IOTA** is an honorary fraternity for women students who are proficient in music. This group performs several recitals and concerts during the year, and usher at musical events on campus. This helps to achieve their purpose of promoting musical interest.

The **BIOLOGY CLUB** is a new organization to appear on campus. This group has had a few lectures on topics related to the field of biology. They also bowl with the Chem and Geo Clubs to further the inter-relationships between those interested in science. The club serves coffee for students studying for lab practicals late at night. The purpose of this club is to promote a close atmosphere of friendship among biology students.

The Susquehanna University **CHAMBER ORCHESTRA** serves in many capacities on campus. Its purpose is to acquaint those within the group to a large variety of small ensemble works, as well as provide an appreciation and continued growth in the Susquehanna string program. The group performs a number of times during the academic year with concerts in December and in the spring. It is also used to assist other performing groups on campus such as the choir.

The **S. U. SINGERS** will be completing their eighth season of providing pop-musical entertainment for the campus and community. Comprised of ten singers and an accompanist, the Singers is a student-directed, student-organized group providing a wide variety of popular music, and displaying a group unity that makes it a popular group in the hearts of many.

The brothers of **Theta Chi** or as they are better known on the Susquehanna campus as the "SPUDS" are active in just about every campus activity and help out many organizations in the community with fund raising benefits, Christmas parties and helping out at the State School. And don't forget about those Friday nights before home football games when the brothers can be seen serenading the girls' dorms in the middle of the night!

The **INTERNATIONAL CLUB** first organized in May of 1971 and has tried to promote some type of cultural exchange among the foreign students and the American people. The club works very closely with the International house and students of Bucknell University.

**FOCUS** is Susquehanna's literary magazine and was first published in the Spring of 1964. Focus, an annual publication, contains selected prose, poetry and art work done by members of the student body.

The **SPANISH CLUB** bases its activities at la Casa Espanola where Esther Asin from Bolivia is in charge. The club puts on skits, sponsors conversation hours and slide presentations, and celebrates holidays such as Columbus Day and Pan-American Day.

The **GERMAN CLUB** was founded as an organization that would be involved with the stimulation of German cultural activities and the promotion of an interest in the German language by having speakers concerning German culture, films and special dinners. The club also wishes to maintain relations with other clubs of similar nature on our campus as well as on other campuses.

The **LANTHORN** '74 edition is an attempt to start some new beginnings. Although the staff was dis-jointed at times and en-counterred many prob-lems, we hope that the end was worth the begin-ning.

THE WORLD IS ROUND  
AND THE PLACE WHICH  
SEEMS LIKE THE END  
MAY JUST BE ONLY THE  
BEGINNING.
